The Story

As one of Australia’s oldest companies, Furphy Foundry is proud of its heritage and a strong dedication to producing excellent products has always been paramount. Furphy Foundry’s commitment to manufacturing such high-quality products was first summarised in 1910 when company founder, John Furphy inscribed the following words on the cast ends of a Furphy Water Cart:

“GOOD, BETTER, BEST - NEVER LET IT REST - TILL YOUR GOOD IS BETTER - AND YOUR BETTER, BEST.”

Bike Racks

Manufactured in Australia, our range of Bike Racks provide practical solutions to the growing issue of safe bike storage in public areas. Whether it be a park, an office, a mall or a high-use urban environment, we can provide a tried and tested product that will last.
Bike Racks

Manufactured in Australia, our range of Bike Racks provide practical solutions to the growing issue of safe bike storage in public areas.

Single Hoop Bike Rack

The Single Bike Rack is a stylish and well made product designed to be easy to install, maintain and use. Made from polished 304 stainless steel, these units are made to last.

- 50.8mm O/D Stainless Steel Tube
- Polished 304 Grade Stainless Steel
- Bolt Down or In Ground Attachment
- Also Available in 316 Grade Stainless Steel

Bollard Bike Rack

Our Bollard/ Bike Rack can be utilised as its name suggests - as a Bollard and a Bike Rack. Made from 304 grade stainless steel, this attractive multi purpose item will withstand harsh environments.

Spiral Bike Rack

Our Spiral Bike Rack ticks both boxes: style and effectiveness. Available as a 4 bay rack or extendable to suit your requirements, the Spiral Bike Rack is made from 304 polished stainless steel.

- 50.8mm O/D Stainless Steel Tube
- 304 Grade Polished Stainless Steel
- Standard 4 Bay
- Bolt Down or In Ground Attachment
