The Story

As one of Australia’s oldest companies, Furphy Foundry is proud of its heritage and a strong dedication to producing excellent products has always been paramount. Furphy Foundry’s commitment to manufacturing such high-quality products was first summarised in 1910 when company founder, John Furphy inscribed the following words on the cast ends of a Furphy Water Cart:

“GOOD, BETTER, BEST - NEVER LET IT REST - TILL YOUR GOOD IS BETTER - AND YOUR BETTER, BEST.”

Public Seating is an essential aspect of modern urban and outdoor design. Our Furphy Foundry range of Seating consists of over 25 core designs, and the ability to customise each design or manufacture completely original ideas means that we can provide the right Seat for any Australian public environment.

Park & Urban Seats

The Metro Seat

OPTIONS

COLOUR
The option to customise the colours, materials used and finishing options allows the Furphy Foundry range of Seats to fit into almost any Australian public environment.

Chaise Lounge Seat

A contemporary and recognisable design, constructed from hardwood timber slats + mild steel (galvanised), the Chaise Lounge is available in both double and single configurations.

Promenade Seat

One of our most popular Seats, the Promenade Seat is made from a sturdy cast aluminium frame and hardwood timber slats - resulting in a truly low-maintenance and durable product.

Woodgrove Seat

One of our most versatile pieces of furniture in terms of design, the Woodgrove Seat is a simple yet classy product that has proven to withstand the rigours of public use in a variety of environments.

Metro Seat

Our Metro Seat is a popular and very effective product which has been created specifically to suit modern urban or park environments. made from cast aluminium + hardwood slats.

Fulcrum Seat

Designed and manufactured here in Australia from cast aluminium and hardwood slats, the Fulcrum Seat is a versatile and stylish addition to any public space.

More Seats

Our range consists of over 25 standard Seat designs. In addition, most designs are customisable opening a vast array of options for your project needs. Visit our website to see the entire range or contact us to find out more.
